

A CHEMIST could tell you the difference between Nature-matured VELVET an' process-matured tobacco. But yo' old pipe can make you understand that difference.

Test It For Yourself!

VETERAN smokers and tobacco men say that Kentucky Burley is naturally the logical pipe tobacco, because of its body and fragrance, combined with an extraordinary mildness.

But even Burley tobacco may have a "bite" that must be removed—either through natural mellowing by age or by some time-saving "process."

Which obtains the best results? Nature's methods or artificial processes?

VELVET'S two years' ageing in hogsheads brings out all of Burley tobacco's natural superiorities.

VELVET is the truly age-mellowed smoking tobacco.

Test VELVET yourself. Let your pipe be the "crucible"—or use a cigarette paper as a "test tube."

MANY QUALIFIED TO PARTICIPATE IN FINALS

Nine From Portland, Three from Seattle, One From Spokane, One O. A. C.

Portland, Or., Mar. 3.—Three Seattle men, one from Spokane, one from Oregon Agricultural college and nine from the Multnomah club, last night won the right to participate in the finals of the Pacific Northwest association championships tonight.

When referee Olan Drang's signal (five) 2. Detonator of the Seattle Athletic club for hitting in clinches after being warned by the referee to break, in his bout with Louis Golby, Detonator went to the mat with the referee. A near riot resulted.

In the 114 pound wrestling preliminary, Clarence Ewing of Spokane, beat Fritz Prellinger, of Multnomah.

In the 115 pound boxing event, I Gleason of Seattle, knocked out H. Christensen, unattached, in one round.

At 165 pounds Jack Harper, of Seattle, won a decision over Frank Phale, Multnomah.

At 135 pounds at Sontag, of Seattle, won a decision over George Davis, unattached.

Paul Amort, Oregon Aggies threw Arthur Bokosky, Multnomah, in a 145 pound wrestling event. The rest of the matches were captured by Multnomah men.

Farmer Proves Surprise. Tacoma, Wash., Mar. 3.—Boxing bugs were unanimous today in saying the 4 round fight between Frank Farmer of Tacoma and "Billy" Murray, of San Francisco last night was the best bout staged here in years.

Farmer was surprised at the finish as showed. He stood toe to toe with the Californian and made him break ground. Murray had trained for three weeks and was in fine condition. He put up a defensive battle all the way, and left the ring with a badly battered countenance.

Earl Connors showed so much class that his bout with Al Lupo was to the nature of a slaughter.

From this city he will go to Modesto where the Salt Lake crew was arranged to train.

Portland to Play Winner. Portland, Or., Mar. 3.—The Portland hockey team, champions of the Pacific coast league, will play the winner of the National hockey association race for the world's championship.

The Montreal Wanderers and the Ottawa team yesterday telegraphed assurance that if they won the pennant they would guarantee the expenses of the Portland club on an eastern trip.

The Montreal Canadians now leaders of the league, already had expressed a willingness to meet the westerners.

Should Ottawa win, however, the championship match is not so certain. The manager of that club said he would play no where but on natural ice at Ottawa. The Montreal team, however, plays on artificial ice.

The Winnipeg Maroons and the Houghton Michigan team have asked Portland for exhibition games on the eastern trip.

BASEBALL FOR WOMEN. San Jose, Cal., March 3.—Baseball was declared to be a suitable sport for women at a meeting held here today for the purpose of considering a new policy of compulsory physical training at the San Jose state normal school. As a result baseball clubs will be formed

and the girls will be allowed to participate if they choose.

Salem Handball Sharks Take Nine Out of 12 Games from Albany

Before a large crowd of spectators the Salem Y. M. C. A. handball team defeated the Albany Y. M. C. A. team in the association championship last night, by winning nine of the twelve matches played. The tournament was staged at 9:30 o'clock and continued for three hours—the last game being completed at 9:30 in order that the Albany team could take the 10:35 S. P. train. R. C. Bishop in the first match of the evening defeated Fred Doucet, of Albany, in two straight games—the first game 21-9, the second 21-19. The swift returns of Bishop seemed to dazzle Doucet and he was unable to make any apparent gains during the early part of the contest.

NOTICE—To property owners on S. Church street. An estimate, by no means definite, was given and the figure named was to place the cost at 75c per square yard. Such a figure is not prohibitive. However, we must await confirmation that we are immune from undue expenditure.
